## English Translation:

### **Mother! You're So Great!**

Mother just like the moon,  
glowing at our window  
Saintly and kindly, glowing with love  
Cares for the children,  
is not afraid of being covered by the clouds,  
gives me warmth, encourages me.  
Mother, I love you,  
I love you, you are so great

Mother just likes the stars shining  
at our window  
Saintly and kindly, shining with love  
Is not afraid of the hardships  
Directs me out of perplexity  
The love is as deep as the ocean  
How can I forget your grace?  
Mother, I love you  
I love you, you are so great
